

BALAJI COLLEGE OF PHYSIOTHERAPY

MANAGED BY BALAJI FOUNDATION TRUST
UNIT OF TIRUPATI GROUP

MISSION

- Focus on the delivery of healthcare in the context of the community and the population served, we look beyond at health care in its widest sense and not just focusing on treating illness.
- Translate scientific discoveries which bridge biology, the physical environment, social, political, cultural and economic factors to discover, understand and improve the health of populations, communities and societies.
- To promote knowledge through research, applied and conceptual, relevant to the students studying at the campus and to disseminate such knowledge through publications, and transfer of knowledge in the society.

VISION

- It should be our collective endeavor to promote an inspirational, motivational, value-based academic, and administrative environment.
- We aim to create in our students a cutting edge which will bring success in the emerging competitive world. Integrated development of students will not only help them in generating knowledge, acquiring skills, developing attitude but also help them in becoming best of the human beings with meaningful living.

THE FOCUS SHOULD BE ON NOT ONLY 'WHAT IS TAUGHT' BUT ALSO "THE WAY IT IS TAUGHT"

AIMS/OBJECTIVE

- High standard of education with emphasis on self discipline and character building
- Accountability of the teachers by making them punctual to classroom instruction and by being non-partisan in treating the students
- Enrich the students participation in curricular and extracurricular activities
- Maintenance of the credibility of the examination system
- To make the College a model institution of excellence in all respect
